

Creative Capital **Follow-up Project Support** Work Sample Description

Your work sample must be *new* and demonstrate that you have made substantial progress on your project. Work samples will become part of Creative Capital's archive. **If you are applying in category III you must submit two copies of your work sample** (one will become a part of our archive). Label samples clearly with your name, funding category, and phone number.

Name:

Project Title:

I. On another sheet of paper (clearly labeled with your name) please give a *brief* description of the contents of your work sample. If submitting slides, number your slides and list information accordingly.

II. Please provide us with any special technical needs for viewing this work:

Please check the type of work submitted:

- _____ **Slides:** should be labeled properly with name, title, date, and dimensions. Submit up to 20.
- _____ **Videotape :** must be cued to the place that most accurately reflects your application. 10 minutes will be viewed.
- _____ **Audiotape:** must be cued to the place that most accurately reflects your application. 10 minutes will be played.
- _____ **Digital material** must be Mac compatible (we do **not** have a PC). We accept the following formats: Compact disc, DAT slides, websites, Mac-based disc, or CD-ROM (We do **not** have a Wintel computer).
- _____ **Web** submissions must include all necessary files and plug-ins, and must be compatible with Netscape 4.0 or earlier. If site is "live," please submit your URL. Viewer or player software must be supplied; for example, DirectorWork must be in "projector" format.
- _____ **Other** please describe:
