# WELCOME

---

Dear Artists and Friends,

We come together at our inaugural Creative Capital Carnival to celebrate artists, to share risk-taking projects, and to walk alongside these visionaries in support of their practices at the early stages of their next artistic adventure.

Today, we honor the collective power and beauty of original thinkers, freedom of expression, and our artist-centered community. These past two years have taught us that we need the arts *and each other* to survive and thrive. Now is the time to marvel in never-before-seen ideas, to create connections, and to embrace the wonder of discovery and learning.

Thank you all for being a part of the wild dream of Creative Capital—funding and supporting individual artists in the creation of groundbreaking new work!

With joy and gratitude,

Christine Kuan  
President & Executive Director
