Through the Platform, Creative Capital offers online courses, programs, or other offerings in specific areas of study or on particular topics (each, a “Program” and collectively the “Programs”). The Creative Capital Programs combines evergreen elements of artist professional development with contemporary critical frameworks in cultural discourse to create cohesive, multi-week asynchronous courses. Individuals and organizations in the United States and around the world can use the Programs at their own pace with free and fee-based options.

We reserve the right to cancel, interrupt, or reschedule any Program or modify its content or Materials— as well as any exam or other evaluation of progress— that may be provided in connection with any Program. We reserve the right to charge fees for any of our services on the Platform at any time.
